### NEVER TOO EARLY/NEVER TOO LATE TO PLAN FOR COLLEGE

We are just one week away from closing out the first semester of the 2020-2021 school year. For our seniors, I hope that you have already been planning for the next chapter of your lives. Hopefully that includes college, and hopefully a college that will continue to build upon the Christ centered education you have received here at MVCA.

The thought of going to college, which college to go to, how will I pay for college are daunting questions that parents ask at very young ages, but if you make a plan and stick to it the mountain will turn into more of an easy to climb hill.

The MVCA website contains information and checklists that will be a valuable resource as you look to the future. Click [HERE!](#)

### BEST OF VIRGINIA VOTE FOR MVCA

We have just gone through one of the craziest elections in US history, and for many it has not come to a close yet. Elections are important, and in this country it is a right and a responsibility granted to each citizen of this country. I am not trying to give a civics lesson, what I am encouraging each of you, our wonderful parent constituency, is to go and vote for MVCA as the best Independent school in the Shenandoah Valley.

Virginia Living Magazine is currently looking for the "Best of..." in each area of the Commonwealth, and they are giving the citizens the opportunity to cast their vote. Last year MVCA finished second in the voting, but we still believe that we are the best, but we need you to go to the Virginia Living Magazine website and cast your vote. Polls are open until January 31, but the earlier you vote, the better. Each category is numbered and we are under number 53 - Independent Schools K-12.
