SCHOOL NEWS

Fall Leadership Retreat - Oct 6-7

Fall Leadership Retreat provides a time for our 7-12 grade students to be off campus for a strong emphasis on character building and leadership skills. It has become a fun way to help students get to know each other, challenge them in their relationship with Christ, and encourage them to see their leadership role as secondary students in the school, as well as the impact they can have as leaders in society. It truly is an inspirational time and one means of helping us fulfill our mission to educate the *whole* child – spiritually, academically, socially, and physically.

For more information and the schedule for this year's retreat, look for the email sent out by Dr. Hardman on September 29th.

Jericho Walk/Color-a-Thon Update

Thank you to everyone who made a donation to the Jericho Walk/Color-a-Thon. Our parents and students brought in a little more than \$7,200.00. The net amount goes toward the kitchen and bathrooms renovation project scheduled for summer 2022.

Now we need to prepare ourselves for the actual event scheduled for October 16. We have made some schedule changes from what was printed on the parent letter. **Even if you did not turn in an envelope or donate, you may still come for the fun. Donations can still be made on the day of the event, but t-shirts and color packs will not be available, as those had to be ordered in advance**

Registration will begin at 1:00pm with the actual walk beginning at 1:30. We will, as a group, walk around the perimeter of the main building a total of seven times, just as the Israelites did when they conquered Jericho (See Joshua 6). Each time around will be approximately 1/3 of a mile for a total of approximately 2.5 miles. As we walk, there will be 4 separate areas where participants will have the opportunity to pray for certain people, places, or things. The fourth area will be an area where participants will be given the opportunity to write their prayer needs on a white board for all to see and lift these specific needs up to God. These requests will also be shared with the MVCA staff and students on Monday morning after the event.

At the conclusion of our seven laps we will gather for what will be a very "colorful" closing ceremony. Students and other participants, who turned in their envelopes, will receive a pack of color powder to be spread throughout the crowd in order to create a rainbow of colors to cover each other with.

When the Jericho Walk/Color-a-Thon ends, the fun is only beginning. At 3:00 the Harvest Party, sponsored by the Church of Christ at Mountain View and MVCA begins with Hay Wagon Rides, Inflatables, games, crafts, food, candy and more. The best part is, it is ALL FREE! Make it a whole day of family fun as we continue our **30th year celebration!**
