### Coronavirus Update

Well, here we are. The events that have unfolded in the last few days are unprecedented in our country, at least in my lifetime. Things evolved so fast yesterday that at one point we had no idea what was happening. We had already made the decision to close on Monday so the MVCA staff could get together to plan and prepare for what turned out to be the inevitable school closing. We will still be meeting, but now we know that we will be out of school until at least March 27.

So what does this mean, and what can we do?

The most important thing to do is listen to what the experts are saying. This crisis is changing so fast that at times it is hard to keep up.

Keep up on your personal hygiene.

**Wash your hands with soap and water for at least 20 seconds.**

**Use an alcohol based hand sanitizer that is at least 60% alcohol.**

**Disinfect commonly touched areas with disinfecting wipes and/or sprays.**

**Do not touch areas around your mouth, nose or eyes.**

**Use a tissue to cover a cough or a sneeze, and throw the tissue away**

**Avoid contact with others who are sick.**

The purpose of closing schools is to create social distancing between people to prevent the spread of the disease. With the school closing, the CDC also discourages people from gathering or socializing anywhere including friend's houses, favorite restaurants, or shopping malls.

I know that all of this can feel overwhelming. There is so much information being poured out from multiple sources that digesting it all is hard to do. The admin team at MVCA is monitoring the situation and we will do our best to keep you informed, especially to things relating to MVCA. At some point on Monday you will receive information about our plan for the continuation of your child's education despite not being in the traditional classroom.

Stay positive, keep the faith, lean on God, and know that He is still in control. This event will eventually pass and we will back to school as normal. For updates and more information go to our website [mvca.cmv.com/covid-19](http://mvca.cmv.com/covid-19)

## Make Your Own LUNCH

Choose one from each category:

### PROTEIN

## WHO DUN IT?

As of today, the “Dinner and a Murder” event is still scheduled to take place. This is subject to change as the COVID-19 events evolve, and we will keep you informed of any changes.

Who doesn't like a good mystery? Sherlock Holmes, Agatha Christie, Alfred Hitchcock, names synonymous with mystery. Well now we add to the list, The MVCA PTF.

On March 28th at 6:00 PM it is not a dinner and a movie, but a “Dinner and a Murder,” and you have the chance to solve the mystery of, “Who dun it?”

The setting is the roaring 20's, it's prohibition, but there are a few clubs who are defying the rules. The problem is people are getting hurt, even murdered, and the police aren't able to solve the crimes on their own. They need your help as the good, relatively speaking, citizens you are.

Make sure you are hereon March 28th to dine, and help solve the mystery of the “Flapper Murder at the 1920's Speakeasy.” See Lucy Walker for tickets. \$15 per person, or \$20 per couple.

It is going to be a “mysteriously” good time!

## PTF News

Congratulations to the March PTF Volunteer for the month of March, Maryssa Shettel. Thank you for all you do for the PTF and MVCA!

## Conqueror Sports

The Varsity Lady Conquerors competed in the NCSAA National Basketball Tournament. They won two games and lost one and won their consolation bracket. Congratulations Ladies!

**ALL SCHEDULED PRACTICES AND GAMES THROUGH MARCH 27 ARE CANCELLED. WATCH FOR FURTHER UPDATES.**
