## Important Upcoming Events

### Distance Learning Continues

## School News

### Don't forget, we are back to school on Monday

It is easy to lose track of what day it is when you are staying at home as much as we have been, but the alarm clocks will be ringing, or dinging, or vibrating, or whatever you have yours set to do when Monday morning comes around.

The break has been well deserved by everyone, but all good things must come to an end. Books will be opened, pencils sharpened and computers humming as we get back to our Distance Learning.

Teachers, students, and parents have been doing a great job with what has been termed, "The New Norm." As we move forward, and we anxiously await what the Governor will do over the next several weeks, we will continue to educate, and work with you and your children to make sure that they are ready to move to the next level.

Continue to pray for us, as we continue to pray for you, your families, and for the day that we will come together again.

**We are in this together, and together we will get through it!**

## BE A PART OF MOUNTAIN VIEW LIVE

Mountain View LIVE has been broadcasting on Facebook since we started our Distance Learning as a way to keep the MVCA family together and provide a way to share information, inspiration, encouragement and a few laughs along the way.

To make Mountain View LIVE more interactive and more familiar, we want you to send us pics of your family, your pets, what does it look like when you look outside from your front porch, or back deck. We want you to share stories about how you are coping with staying at home, or encouragement to other members of the MVCA family. We want you to send in your favorite knock, knock jokes, or funny stories, or memes. (Funny, inspirational, or encouraging.) But most importantly we want you to join the fun by tuning in each weekday at 1:00 PM and join the conversation. It is LIVE, so you really never know what might happen, or who might stop by.

Monday, Dr. Hardman will be sharing some MVCA Updates, and maybe I can convince her to play a little game with me. You'll have to tune in to see.

Stay tuned for info about our "Virtual" Talent Chapel!"

## Lunch

**Eat healthy and stay active!  
WASH YOUR HANDS!**

## Birthdays

Apr. 20 - Madilyn Strachan

## Helping our Helpers

MVCA has the BEST staff this side of heaven. We also have the most generous and loving families anywhere. In these days of uncertainty, we covet your prayers above everything else.

As our teachers continue to work, there are a few of our staff who have not worked since schools were closed on March 13th.

MVCA has started a C-19 Fund as a way to help offset a portion of the lost wages of these valuable staff members. If you would like to donate to the C-19 Fund you can go to the MVCA website, [mvca.ccmv.com/donate](http://mvca.ccmv.com/donate). Your donation and prayers are greatly appreciated. We value you as partners in the education of your children, but we also value you as a part of the MVCA family.

Thank you and God Bless.
