Who We Are

Mountain View Christian Academy is an extension of the ministry of the Church of Christ at Mountain View. Our vision is to be the premiere educational institution in Frederick County, Virginia, and a forerunner for kingdom education delivered in a manner worthy of bringing glory to the excellent name of Jesus Christ. We are accredited by the Association of Christian Schools Internationals (ACSI), as well as active members of the Virginia Council for Private Education (VCPE).

Our Mission

Mountain View Christian Academy, in partnership with the home and the church, delivers quality education for the whole student– spiritually, academically, socially, and physically– producing well-adjusted, morally sound individuals equipped to transform society.

Our Philosophy

Mountain View Christian Academy provides quality education from a Christian perspective. Teaching is based on the absolute truths revealed in the Bible and the application of those truths is emphasized in every area of study. Standards are set to raise students to academic excellence. In addition, key principles of Christian character are taught in an effort to train students to whole-heartedly rise to the standard of Christian conduct in obedience, respect, and self-discipline. Thus, the Bible and Christian training are not "extras" but integral parts of every area of study, emphasizing a direct relationship to the sovereign God.
